Instructions for connecting to the Yandex 360 platform

The process of connecting to the Yandex 360 platform
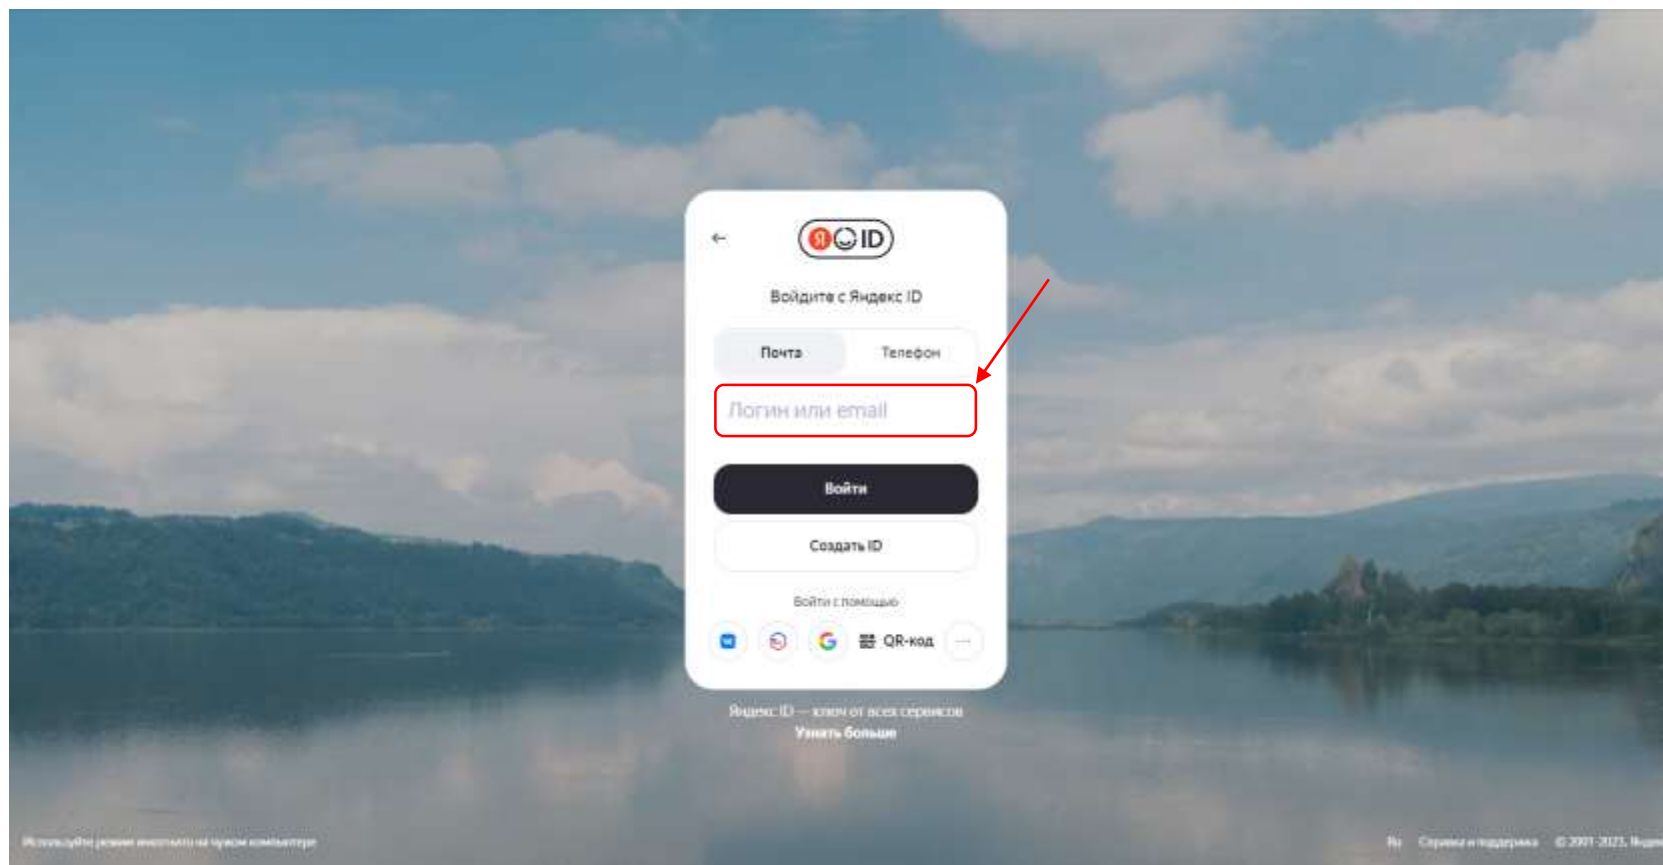

I Go to the website https://ya.ru/
In the "login or email " field you must enter your corporate email address, which was previously received in the registration card in the form:
login@stud.kpfu.ru – for students,
login@kpfu.ru – for teachers.

2

The user will then be taken to the university's information ecosystem login page. On this page you will need to enter your login and password for your personal account.
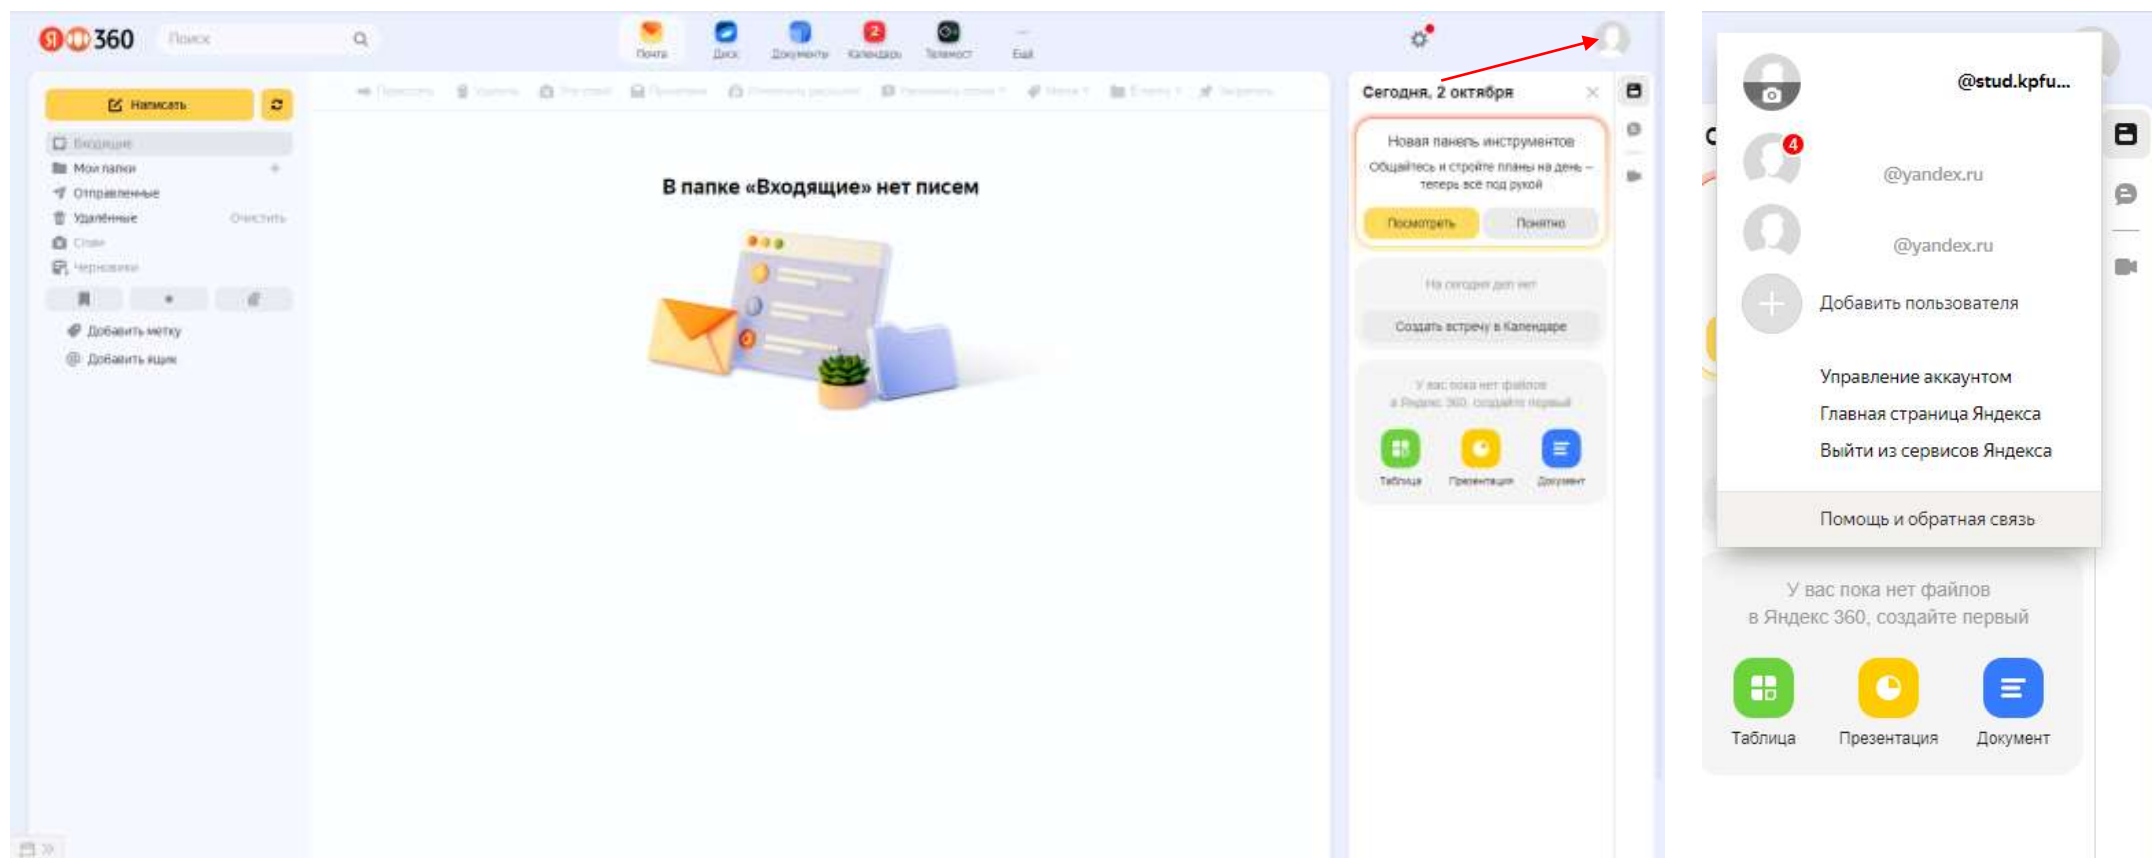

3   Next, you log into your personal account on the Yandex 360 platform. To go to the available services, you need to click on the profile icon in the upper right corner and select "Mail". The platform desktop will open.

4 If you need to switch to a personal account, click on the profile icon in the upper right corner and select the desired account
